

International Petroleum and Petrochemical Technology Conference & Exhibition 2019

IPPTC 2019 Calls for Papers and Speakers

2019 International Petroleum and Petrochemical Technology Conference (IPPTC) will be held on March 27-29, 2019 in Beijing, China, themed “**Challenging Petroleum and Petrochemical Industry in Technological Innovation**”. Also, the IPPTC will be equipped with the large global exhibition – CIPPE (more than 1800 exhibitors).

This conference aims to provide an ideal opportunity for industry experts, leading engineers, researchers and technical managers as well as university scholars to share ideas and research achievements related to petroleum & petrochemical technology and discuss the practical challenges encountered and the solutions adopted. It will create a platform to bridge the knowledge gap between China and the world.

Conference Highlights

- World top level Specialists' important presentations
- the large global exhibition – CIPPE (more than 1800 exhibitors)
- 1 plenary, 1+ panel and 20+ sessions
- 3 days of networking opportunities
- 2 days of training course before the conference (Extra charges are required)

We invite you to be an active participant and partake in the discussion.

Scope of Topics

- 1. Drilling, Production and Oilfield Chemistry**
- 2. Oil & Gas Storage and Transportation and Flow Assurance**
- 3. Offshore Drilling and Production Engineering, Gathering and Transportation System**
- 4. Refining and Petrochemical Engineering**
- 5. Machinery, Materials and Corrosion Protection**
- 6. Intelligence and Information Technology**
- 7. Environmental Surveillance, Governing and HSE Management**

Submit your abstracts and participate in this world class event at <http://www.ipptc.org>

Your paper will be included in the proceedings of IPPTC conference if accepted. It will be published by leading internationally publisher and be recommended to SCI/EI for being indexed. The excellent paper will also be awarded as Best Paper.

To book your exhibit space, advertisement or sponsorship, please contact the IPPTC sales team.
