

upstream

THE GLOBAL OIL & GAS NEWS SOURCE

Upstream is the world's leading oil and gas industry news and business intelligence source and is read by almost 40,000 influential executives across 104 countries weekly. The business philosophy is to generate and distribute quality independent news and insight on the global oil and gas industry. With an experienced team of 29 reporters located in 14 key locations around the world, Upstream can provide the unbiased, independent journalism that business leaders have come to depend on to fill their news and information needs. Upstream publishes a weekly newspaper, a quarterly technology magazine and round-the-clock digital news coverage.
