International New Energy and Energy Conservation Technology Conference 2026

Empowering AI Application for the Energy Industry—Driving Efficiency, Innovation and Low-Carbon Transformation

4 - 6 November 2026 Xi'an, China

NEEC 2026 CALL FOR ATTENDEES

2025 International New Energy and Energy Conservation Technology Conference & Oil, Gas and New Energy Integrated Seminar will be held from 23 to 25 July, 2025 in Xi'an China.

The conference, with the theme of "Promoting Tomorrow Energy Technologies: Opportunities, Challenges and Solutions", is closely related. Technical exchanges will be conducted in the fields of "hydrogen energy preparation, storage, transportation, and application technology", "efficient development and utilization technology of geothermal energy", "wind power generation and energy storage technology", "solar thermal technology", "smart grid and comprehensive energy management technology", "biomass energy conversion and coupling technology", "energy-saving technology and energy storage materials", "complementary integration of oil and gas and multi energy", "clean fossil energy and CO₂ resource utilization technology (CCUS)", "new energy policy research and energy economy research", etc.

This conference aims to provide an ideal opportunity for industry experts, leading engineers, researchers and technical managers as well as university scholars to share ideas and research achievements related to new energy and energy conservation technology and discuss the practical challenges encountered and the solutions adopted. It will create a platform to bridge the knowledge gap between China and the world.

1. Timing Schedule

Date	Venue	Program
08:30-18:00 3 November	Atour Hotel No.18, electric 2 nd Road, Xi'an, China	Registration and Material Collection
08:30-12:00 4 November		Opening Ceremony Keynote Presentation Session
14:00-17:00 4 November 08:30-17:00 5 November	Conference Center Xi'an Shiyou University	Technical Sessions
6 November	Xi'an Shiyou University	Visit the Laboratory of Xi'an Shiyou University and Academic Exchange

2. Registration

Fee Standards

Type	Standard	Remarks
Professional Representative (including paper)	RMB 2,900/person	
Professional Representative (excluding paper)	RMB 1,800/person	
Student Representative (excluding paper)	RMB 1,500/person	
Student Representative (excluding paper)	Free	Excludes meals and conference materials; valid student ID required for verification

Email Registration:

Registration Form can be sent via email to our conference team at ypzhao@hxan.org.

Notes for Participants:

1. The registration fee includes all activities at NEEC, including Opening Ceremony, Keynote Presentation Session, Technical Sessions.

In addition, one registration including Daily Coffee Breaks, Daily Delegate Lunch, Daily Delegate Dinner and Conference Digital Proceedings.

2. Lodging for the conference will be organized centrally, with participants expected to cover their own accommodation expenses.

3. The collection of conference fees and the issuance of invoices will be handled by Xi'an Sinoline Petroleum Science and Technology Co.Ltd., Bank account as below:

Account Holder: Xi'an Sinoline Petroleum Science and Technology Co.Ltd

Address: No.36, Dianzi 2nd Road, Xi'an City, Shaanxi Province, P.R.of China

Phone:86-29-88233878

Account number:102001765342

SWIFT Code:BKCHCNBJ620

CNAPS Code:104791003719

Bank Name:Bank of China Xi'an Ziwei Branch

Bank Address:Dian Zi Zheng Jie No.399, Xi'an, China

Bank Phone :86-29-88219278

4.Students who wish to attend the conference should submit their registration list to the organizing committee (Contact: Ms. Zhao) by July 18.

3.Recommended Hotel

Hotel	Address	Cost (per room per night)
Atour Hotel	No.18, electric 2 nd Road, Xi'an.China	RMB 350

Notes for hotel reservation: All hotel reservations will be based on the registration form submitted. Additionally, conference attendees may also book accommodations at other hotels on their own.
